A: Someone who cares enough to volunteer their time sharing their life experiences with youth.

Q: How do I become a Guest Mentor?

A: Complete the Guest mentor form online at www.HeartSmilesMd.com.

Q: What is the time commitment?

A: A 1hr block between 11am - 12pm on a weekday between June 28th and Aug 6th.

Q: How should I prepare?

A: Come ready to share your story authentically. The conversation will be moderated by our host. Slides are not required however, if you choose to use slides go heavy on the pictures and themes, and drop the text. For example, show pictures of the schools you graduated from rather than a bullet line of your education journey. And of course, tell everyone you know to tune in on YouTube @HeartSmiles
